Why do you want to serve on the SDRMA Board of Directors? (Response Required)

I have been a member of the SDRMA Board for two terms. I would like to be elected to a third term because:

1. As a board member of Groveland CSD, I am very aware of the great value that smaller districts get from their membership in SDRMA, and I'd like to continue to support the Authority's great member services.
2. While the organization continues to operate well, thanks to its experienced and motivated staff, we are once again going through a period of management change. I believe that Board continuity is particularly important at such a time.
3. The California re-insurance market continues to be challenging. I believe that my eight years of board experience will be helpful as we negotiate the potentially tricky economic future.
4. Personally, I feel that we have a very well-functioning and collegial Board, and I find it both challenging and enjoyable to be part of it.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

1. SDRMA Board: Member since 2016, presently Vice President. I am our representative on the CSDA Legislative Committee (and a member in my own right), and on the Alliance Executive Council.
2. Groveland CSD Board: Member since appointment in June 2013. I was Board President 2014-2018.
3. Member of Board of Southside Community Connections, which is a 501(c)(3) nonprofit in Groveland that provides transportation, educational, social and recreational services to seniors and differently-abled folks in the Groveland area. I was on this Board from 2018 through 2022, mostly as Treasurer.
4. Board Member (Treasurer) of Pine Cone Performers, a local community choral and acting group, since 2010.

Candidate's Statement of Qualifications**

What special skills, talents, or experience (including volunteer experience) do you have? (Response Required)

Background: BS Physics, MS Computer Science. 3 years in USAF. 30 years in the semiconductor industry as engineer, engineering manager, business unit director.

Skills, etc.: Very familiar with financial reports and cost accounting. Working knowledge of computer and communications technology. In my work life, I managed geographically distributed organizations with up to 150 technical personnel and up to \$120 million in annual sales. I'm pretty good at helping groups work together to achieve consensus (or, failing that, acceptable compromise).

In recent years, most of my volunteer work has been in driving folks (who can't drive themselves) to medical appointments, shopping, and the like. This is one of the services of Southside Community Connections.

I'm also a pretty decent choral singer, but that's not relevant to this application.

What is your overall vision for SDRMA? (Response Required)

Our vision statement is "To be the exemplary public agency risk pool of choice for California special districts and other public agencies". To achieve this vision, I believe we must focus on:

(1) maintaining long-term financial stability, by ensuring that there is a fair allocation of cost versus risk across the membership, continuously evaluating the appropriate level of risk retention, and using creative ideas like our "captive" reinsurance agency to enhance our cash position.

(2) continue to expand our risk management training and assistance services. We have made significant improvements in this area by bring it internal to the Authority.

(3) continue to emphasize services to our core membership: small to mid-sized districts with limited options for insurance.

(4) ensure that SDRMA remains a desirable workplace, and maintain our highly-qualified and responsive staff.

Above all, remember that this is an insurance pool, owned by its member agencies, and maintain an overarching focus on member service and support. Make certain that we will be here for our members.

I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.

Why do you want to serve on the SDRMA Board of Directors? (Response Required)

As a City Mayor I have been fortunate to serve on regional boards that include special district representation: San Bernardino Countywide Oversight Board and Southern California Water Coalition's Board of Trustees. I realize that special districts, especially the smaller districts, are not included in the conversation for a variety of matters. Currently, I serve on San Bernardino LAFCO and the California Association of LAFCOs, which do have robust special district representation. I believe that my skills, experience, and understanding can contribute to SDRMA. Specifically, I want to contribute by developing programs that would help member agencies maximize their protection and minimize their risks.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

I currently serve as mayor for the City of Fontana. This is my fourth term, and my focus has been bolstering economic development, creating educational opportunities, improving public safety, and advocating for a healthier community. As mayor, I have been fortunate to serve on:

- San Bernardino LAFCO since 2014, serving currently as Vice Chair of the Commission. I am also a Board Member of the statewide organization of LAFCOs, CALAFCO, serving as Treasurer
- San Bernardino County Transportation Authority: Board of Directors, General Policy Committee, and Transit Committee
- San Bernardino County Racial Equity Committee for the San Bernardino Council of Governments
- San Bernardino Countywide Oversight Board

In addition, I am the current Chair for the Southern California Water Coalition's Board of Trustees as well as Co-Chair of its Task Force for Water Equity, Access, and Affordability.
