The Board of Directors is crucial to the operation of the Association and to the representation of the common interests of all California's special districts before the Legislature and the State Administration.

CSDA Board Candidate Statement March 2023

*I seek your support for my reelection to the Board of Directors of California Special Districts Association. I have served 24 years as a member of the Board of Directors of the California Special Districts Association and am currently its Vice President as well as the Chair of its Member Services Committee. I am very active in CSDA functions and events attending all CSDA committee meetings, the CSDA conference, Legislative Days and GM Leadership Summit annually.*

*My goals as a CSDA Board member have been, and will continue to be, setting direction with the Board for the protection of local revenues, to bring realities to public works legislation and to convey the practicalities of running a special district to the legislature, regulators and other agencies. CSDA has seen amazing growth in membership and service delivery in the past two decades, and I intend to lead within the CSDA Board to continue to improve and keep relevant all of the offerings provided by CSDA.*

*I am a Certified Special District Manager who has served as General Manager for eleven special districts throughout Northern and Central California over my thirty-year career in local government, including a county water district, sanitary district and nine community services districts.*

*Public services delivered by the special districts under my management include water, sewer, ambulance, fire and emergency response, parks and recreation, solid waste, roads and stormwater, street lighting, snow removal, library, and mosquito protection. My management teams and I have administered the planning, design, funding and construction of over \$80 million in public facility construction, infrastructure and technology upgrades.*

*I currently serve as General Manager of the Groveland Community Services District in Tuolumne County and the Copper Valley CSD in Calaveras County.*

## Candidate Statement

### Kevin L. King

I am interested in serving on the California Special District's Board of Directors to more significantly contribute to the vitally important work done by CSDA. With more than two decades worth of experience in leadership roles for special districts, I certainly appreciate the significance of all special districts and believe my background and perspectives would be an asset as a member of the CSDA Board.

Upon graduating from California Polytechnic State University, San Luis Obispo, I began my career in public service at a small irrigation district in western Stanislaus County. My career has taken me on a path since that time with stops at Oakdale Irrigation District, Solano Irrigation District and currently as the General Manager of Reclamation District No. 1000 in Sacramento. The advocacy, resources, and support provided by CSDA each step of the way has been tremendous, not only to me personally but to the communities I served.

The challenges faced by special districts escalates, seemingly, on a daily basis. Funding challenges, legislative challenges, staffing challenges, modernization challenges...the list is endlessly, yet the need for our services never wanes. I am an enthusiastic, solution oriented and creative problem solver ready to take on these challenges. I believe my unique background; communication style and leadership would serve all special districts well.

I would be honored to receive your vote for the CSDA Board of Directors – Sierra Network

Warm regards,

Kevin L. King
