

Tuolumne City Sanitary District
Collection System Improvement Project
Project No. C-06-8281-210

Notice is hereby given that Tuolumne City Sanitary District (TCSD) has determined that all bidders on the Collection System Project to be undertaken by TCSD must be pre-qualified prior to submitting a bid on this Project. Public Notice for the bidding process for the construction of the Project will be posted in mid-January 2022, with the bid opening in late February 2022. The Project consists of the removal and installation of collection system pipelines and manholes in Tuolumne City. The construction project is subject to prevailing wages and is estimated to cost in excess of \$4,000,000. The last date to submit a fully completed pre-qualification application is 2:00 p.m. on January 13, 2022.

Pre-qualification applications may be downloaded from Public Purchase:
<https://www.publicpurchase.com/gems/tuolumnecsd,ca/buyer/public/home>

Questions regarding the pre-qualification application shall be directed to Christiana Giedd, E.I.T. with Black Water Consulting Engineers, Inc. at christiana@blackwater-eng.com.

CWSRF required disclosure:

“Funding for this Project has been provided in full or in part through an agreement with the State Water Resources Control Board. California’s Clean Water State Revolving Fund is capitalized through a variety of funding sources, including grants from the United States Environmental Protection Agency and state bond proceeds. The contents of this document do not necessarily reflect the views and policies of the foregoing, nor does mention of trade names or commercial products constitute endorsement or recommendation for use.”
