ADJOURNMENT

Disclosure of Campaign Contributions – Government Code Section 84308 requires that campaign disclosure reports provide the public with the identity of contributors and the amounts they give, and the amount that officeholders, candidates, and committees spend. A LAFCO Commissioner must disqualify herself or himself from voting on an application involving an "entitlement for use" (such as an annexation or sphere amendment) if, within 12 months, the Commissioner has received \$250.00 or more in campaign contributions from the applicant, any financially interested person who actively supports or opposes the application (such as an attorney, engineer, or planning consultant) representing the applicant or interested party. The law also requires any applicant or participant in a LAFCO proceeding to disclose the contribution amount and name of the recipient Commissioner on the official record of the proceeding. The law also prohibits an applicant from making a contribution of \$250.00, or more to a LAFCO Commissioner while a proceeding is pending or for 3 months afterward.

Disclosure of Expenses Supporting and Opposing Proposals - If a person or group contributes or expends \$1,000.00 or more in support of, or in opposition to, a proposal before LAFCO, those contributions and expenditures must be disclosed. Pursuant to Section 56100.1 of the Government Code, disclosure shall be made to the Commission's executive officer.
