Agenda Item: V(b)

I am currently working with staff on a number of activities. These activities include the following:

- **Out-of-town the First Week of September**

I will be out-of-town from September 2, 2022 until September 10, 2022. I can still be reached by cell phone or email.

- **State Revolving Fund Program Update**

The District has been advised by State Revolving Fund (SRF) staff at the Department of Water Resources (DWR) that we can begin receiving reimbursement for the Wastewater Collection System Phase 1 Construction Project. As you may recall your Board approved the state agreement a number of months ago. The state has processed the agreement and notified the District that we are approved and can begin submitting reimbursement requests for this project.
