Tuolumne, CA 95379

To Sanitary District Board of Directors

Please accept this letter as a formal expression of interest for appointment to the Tuolumne City Sanitary District Board of Directors.

I recently relocated to Tuolumne City (August 2022) from North Miami, FL to be appointed to the position of Executive Director of WATCH Resources. I was honored to accept this position and relocate across the country. I was equally blessed to purchase a home in Tuolumne, such a wonderful little town.

As I did in North Miami, I strongly believe in getting involved in the community I call home. I had previously served on the North Miami Community Redevelopment Board.

I am very interested in serving my community and therefore respectfully submit my name for consideration to the Tuolumne City Sanitary District Board of Directors.

Respectfully Submitted,

Clinton Bower
