I am currently working with staff on a number of activities. These activities include the following:

Nothing new to report on this issue.

- **State Revolving Fund Program Update**

No new information has been provided by the State Water Resources Control Board (SWRCB) in respect to additional funding under the State Revolving Fund (SRF) program. As you are aware the state provided an additional \$2.2 million in new funds for the Wastewater Treatment Plant (WWTP).
