REGULAR MEETING STAFF REPORT AUGUST 4, 2021

To: Board of Directors
From: Dave Andres, General Manager
Subject: Community Services District Formation
Date: July 29, 2021

Agenda Item: VI. a

Background: The District has been discussing the formation of a Community Services District for a number of years. This culminated in the submittal of an application to the Tuolumne County Local Agency Formation Commission (LAFCo) in September 2020. LAFCo retained a consulting firm to evaluate the request with the Draft Report and response being reviewed by the Board at your last meeting.

Discussion: It appears that the LAFCo review process is entering the final stages. I am currently waiting for the revised schedule of activities from their consultant QK, Inc. that will also include a tentative hearing date before the LAFCo Board. As a result, I would recommend that the ad hoc CSD Committee meet with your counterparts on the Tuolumne Park & Recreation Board of Directors to begin discussion of the issues associated with the formation of a new agency.

Fiscal Impact: No additional costs will be incurred by the ad hoc committee meeting.

Attachment(s): None

Recommendation: Board President to call for a meeting of the ad hoc CSD Committee.

Recommended Motion: No action is required by the Board of Directors.
