Agenda Item: VII

From: Dave Andres, General Manager

Subject: Wastewater Collection System Project – Compliance Contract

Date: May 26, 2022

Background: The District has awarded the bid for the *Wastewater Collection System (WWCS) Construction Project Phase 1* and construction should begin in early August. Like our Wastewater Treatment Plant (WWTP) Project I would like to hire our current prevailing wage contractor to also provide monitoring services for the WWCS construction project. Contractor Compliance and Monitoring, Inc. (CCMI) is approved by the California Department of Industrial Relations as a Third-Party Labor Compliance Program Administrator and provides Labor Compliance Program (LCP) services to contractors, developers, and public agencies throughout the state.

Discussion: CCMI provides complete labor compliance with both Davis Bacon and Related Acts and California Labor Code for prevailing wage projects. CCMI verifies a contractor's eligibility to work by checking the contracting status with both California and Federal lists. They also verify the eligibility of all subcontractors. CCMI monitors weekly certified payroll, including correct classification of workers, proper wages being paid, proper calculation and payment of fringe benefits and training contributions, review of overtime, shift pay, weekend and holiday work/pay and other activities.

Fiscal Impact: *WWCS Construction Contract Phase 1* – Base Bid: \$2,987,734, Alternate Item A: \$143,274, Alternate Item C: \$425,405; Total: \$3,556,413. The prevailing wage contract with CCMI is estimated to be in the \$20,000 to \$50,000 range.

Attachment(s): None

Recommendation: Approve and authorize the General Manager to enter into agreement with Contractor Compliance and Monitoring, Inc.

Recommended Motion: I move to approve and authorize the General Manager to enter into agreement with Contractor Compliance and Monitoring, Inc. for prevailing wage and labor compliance monitoring services at cost not to exceed \$50,000.
