Re: Change Order Request No. 5.2 – Relocate Existing Utilities at RAS Vault Phase 2

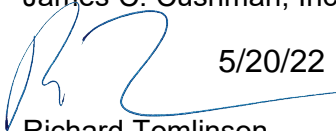

Alan:

James C. Cushman, Inc. "JCC" hereby submits Change Order Proposal #05.2 for the cost to relocate multiple existing utilities in conflict with the new RAS Vault. The work will be divided into two phases. Phase 2 includes the permanent relocation of the existing electrical duct bank, removal and reinstallation of approximately 300 sf of PCC paving. The total lump sum cost to provide and install the Phase 2 changes is \$ 29,671.41.

See the attached pages for lump sum breakdown. Please review and confirm acceptance at your earliest convenience. If you have any questions or require any additional information, feel free to contact me.

Sincerely,

James C. Cushman, Inc.
