

Project Name:	WWTP Improvements Project	Date:	9/22/21
Project Owner:	TCSD	Contractor:	Cushman

Brief Description of Construction Activities During Past Week, and Total Quantities in Place to Date:

20 Sept 21: Backhoe delivered to site, begin marking USAs.

21 Sept 21: Clarified with TCSD, Engineer, and Contractor that concrete must be replaced to expansion joints after saw cuts. TCSD marked their facilities per USA (see photos below).
