Subject: Management Report
Date: September 30, 2021

Agenda Item: VII. b

I am currently working with staff on a number of activities. These activities include the following:

- **WWTP SRF Grant Project – Status**

Staff has added a separate item c) under Staff Reports to keep you informed on the status of construction work at the wastewater treatment plant.

- **LAFCo - Community Service District Formation**

District staff was involved in a video meeting with LAFCo representatives on September 30, 2021. The meeting centered around discussions of the report recommendations. Unfortunately, Supervisor Kirk could not attend. District staff is attempting schedule another meeting with him to discuss the transfer of the Underground Utilities District and the Lighting District. Once we hold this meeting we can prepare a final comments to the draft report and hold a joint meeting with the Tuolumne Park & Recreation District. Attached is a one page summary of the latest report on the CSD formation.
