Agenda Item: VI(b)

I am currently working with staff on a number of activities. These activities include the following:

- **State Revolving Fund Program Update**

The District is still awaiting the State Department of Water Resources decision on approval of our request for *Phase 2* funding for our Wastewater Treatment Plant (WWTP) Improvement Projects and Wastewater Collection System (WWCS) Improvement Projects. We hope that a decision will be made prior to the end of the calendar year.

- **Update on Community Services District Formation Application**

Attached is my response letter to Quincy Yaley dated September 28, 2022 and her original request for information dated September 6, 2022. As indicated in my response, The application is for a consolidation, includes five services (Sewer, Park & Recreation, Community Recreation, Street Lighting, and Community Facilities), and addresses the Property Tax Sharing Agreement. We discuss in more detail this item at our meeting.
